DATE September 21, 2011  
DOCKET NO. 2011-366-C  
ORDER NO. 2011-708

**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

DOCKET NO. 2011-366-C - Petition of Sprint Spectrum, L.P., Nextel South Corp., and NPCR, Incorporated d/b/a Nextel Partners (collectively "Sprint"); T-Mobile South, LLC d/b/a T-Mobile (collectively, the "Wireless Carriers") with CTIA-The Wireless Association to Intervene and Petition to Institute Investigation of Tariff Revision No. E2011-69 of Global Tel\*Link Corporation - Discuss this Matter with the Commission.

**COMMISSION ACTION:**

Based on the Petitions to Intervene filed by Sprint Spectrum, L.P., Nextel South Corp., NPCR, Inc. d/b/a Nextel Partners, T-Mobile South, LLC, d/b/a T-Mobile, and CTIA-The Wireless Association and the initial investigation by the Office of Regulatory Staff, those parties have requested that the Commission suspend Global Tel\*Link Corporation's (or GTL) Tariff Revision No. E2011-69 until further order of the Commission. GTL submits that suspension of its currently-effective tariff would be inequitable and harmful to GTL, and has requested that it have the opportunity to work with ORS to resolve any concerns it may have in regard to the tariff provision. While I appreciate GTL's concerns about suspending a tariff that is currently in effect, the other parties have raised significant issues and are united in their position that suspension is appropriate during the pendency of the case. Balancing the concerns of all parties, I move that we grant GTL a very brief window of time to "resolve any concerns" of the parties prior to suspending the tariff. If the Commission has not received notice from the parties that the issues have been resolved within 20 days of the date of this Commission's order, I move that at that time, the tariff be automatically suspended during the pendency of this docket. Further, if the parties fail to resolve the issues within that time frame, I also move that Global Tel\*Link formally respond to the Petitions to Intervene within twenty (20) days of the date of the suspension.
